ATHERTON AVENUE FLOODED WITH WATER

The board of supervisors met in regular session Monday, January 17, at 10 a. m., there being present Jos. M. Francis, presiding, Jas. T. Casey, Wm. H. Brown, John MacBain and C. V. Thompson.

Supervisor MacBain reported that Atherton avenue in his district was flooded with water as a result of the recent severe storm. The matter was referred to District Attorney Swart to ascertain what could be done towards remedying the situation and preventing a recurrence of the floods.

District Attorney Swart made a verbal report on the claim of the Town of Redwood City for \$2,416.17 covering delinquent taxes collected by the county and not turned in to the above municipality. Mr. Swart stated that he had taken the matter up with Miss Holden, deputy collector, and the latter had pointed out to him numerous gross errors in the claim, showing that the items called for could not possibly be as much as stated.

No definite action was taken by the board, the matter still being left in the hands of the district attorney.

An ordinance fixing the rates for county printing and advertising was adopted on motion of Brown, seconded by MacBain.

Paul Yost, of Wrightson, Anderson & Yost, the contractors, appeared before the board in reference to a claim amounting to \$8,038.27, which represented the final payment on their contract for constructing the Menlo Park-Portola road.

There being no funds available in the highway funds at present to meet the above claim, as well as several other outstanding ones, it was decided to temporarily transfer sufficient funds from the general fund to the highway fund to meet the payment of said claims.

This action was made possible by the adoption of the following resolution, introduced by MacBain, and seconded by Casey.

"In the Board of Supervisors of the County of San Mateo, State of California.

"Whereas there are outstanding claims totalling the sum of \$15,150.79 for highway construction; and, "Whereas a special tax has been levied to cover these claims but as the full quota of taxes have not yet been paid and it is desirable to pay these outstanding claims immediately;

"Be it resolved and ordered that the sum of \$15,150.79 be transferred from the General fund of the county to the Highway Construction fund for the purpose of paying these outstanding claims; and

"Be it further resolved and ordered that the County Treasurer and Auditor make this transfer temporarily until there are sufficient funds in the Highway Construction fund to make it possible to re-transfer this amount to the General fund.

"Dated, January 17, 1916."
M. N. Ellery and N. W. Sexton, architects and engineers of San Francisco, addressed the board in reference to furnishing plans for the architectural work on the new county jail. No action was taken in the matter.

The claim of Wrightson, Anderson and Yost, mentioned above, was ordered paid, on motion of Brown, seconded by MacBain.

The minutes of the meetings of January 3d and 10th were read and approved.

An application for support was received from Mrs. Laura Perry of Burlingame, who is sick and in destitute circumstances.

The applicant was granted \$8 a month, on motion of Brown, seconded by Thompson.

A resolution was presented by the city trustees of South San Francisco, asking the board to make an endeavor to have the Southern Pacific Company construct a culvert under their tracks on the Bay Shore line.

The resolution was endorsed, on motion of Casey, seconded by MacBain.

Miss Anne Bell Bailey, county librarian, addressed a communication to the board, recommending the establishment of a branch library at San Bruno.

The recommendation was accepted, on motion of Casey, seconded by MacBain.

On motion of MacBain, seconded by Casey, it was ordered that the county librarian be instructed to submit a report the first of each month.

A communication was received from Inland Waterways Association of California, asking the board to appoint five delegates to the congress of the association, which is to be held at the Palace Hotel, San Francisco, February 21st and 22d.

The communication was ordered filed.

Supervisor Brown reported the washing out of a culvert on the De Las Pulgas Road and Brittan lane, which he had referred to Surveyor Neuman.

The board adjourned at 12:10, to meet again Monday, February 7th, at 10 a. m.

SEQUOIA DEBATORS WIN AT HOME BUT LOSE AWAY

The debate Saturday night between San Jose and Sequoia was won unanimously by our team, the score being 55 to 90 in our favor. Marie McAuliffe and Compton O'Connell deserve a great deal of credit for their good work in debating. The team sent to Santa Cruz was not so successful, the score being 87-1-3 to 89-2-3 in favor of Santa Cruz.

AUTO BUS LINE TO EXTEND SERVICE TO SAN JOSE

Automobiles to Run Every Twenty Minutes From S. F. to Palo Alto

The people of this city hall with delight the announcement made this week that the Peninsula Rapid Transit Company is about to extend its autobus lines to San Jose and to inaugurate a 20-minute schedule between Palo Alto and San Mateo.

In order to finance the above development, the directors of the corporation decided to sell 50,000 shares of the treasury stock. This stock will be sold in small lots and will be offered the people living along the peninsula first, it being the wishes of the directors that as much of the stock as possible be represented locally. Local investors will naturally become strong boosters for the system.

The Peninsula Rapid Transit Company is a local concern, its officers and directors being prominent business men of the peninsula.

The people of this city are beginning to more fully realize what the advent of the bus lines means to the peninsula in the matter of its development. It has solved the question of transportation by giving the people a rapid and cheap service, something they had been hoping for and dreaming about for years. That they fully appreciate this service is evidenced by the crowded condition of every autobus on the line. The company has demonstrated that it is able to maintain a perfect schedule through all kinds of weather. During the recent big storms, when other transportation lines were tied up for hours, the auto busses ran without practically a minutes delay.

With the inauguration of the 20-minute schedule, the company will be able to offer thirty day and other commutation rates. What this will mean to this city and the entire peninsula can scarcely be imagined. It will mean the bringing of thousands of people into the county, who had been kept away on account of the railroad rates.

The directors of the company should receive every encouragement in the development of their lines down the peninsula. The purchase of stock by local buyers means that the interests of the affairs of the company are kept at home instead of being placed in the hands of outsiders. Let everybody, therefore, get behind the company and give it all the support needed to insure its complete success—the success that means everything for the future greatness of this city and the entire peninsula.

NOTICE OF TRUSTEE'S SALE OF REAL ESTATE

Whereas, Angelina Mori, Sebastian Mori and Stephen Mori of the County of San Mateo, State of California, did execute a certain Deed of Trust bearing date of the 23rd day of February, 1911, to I. J. Crabtree and H. F. Crabtree of the City and County of San Francisco, State of California, as Trustees, for the benefit and security of G. L. Crabtree of the said City and County of San Francisco, State of California, which said Deed of Trust was recorded in the office of the County Recorder of the County of San Mateo, State of California, on the 24th day of February, 1911, in volume 194 of Deeds at page 165.

And whereas, the said I. J. Crabtree is now dead and the said H. F. Crabtree is the sole surviving Trustee under said Deed of Trust;

And whereas, default has been made by the said Angelina Mori, Sebastian Mori and Stephen Mori, in the payment of the promissory note secured by said Deed of Trust, said G. L. Crabtree has demanded that said Trustees, H. F. Crabtree, should forthwith proceed to sell the land in said Deed of Trust described;

Now, therefore, pursuant to the said demand and in accordance with the terms and under the authority of the said Deed of Trust, the said H. F. Crabtree, as such Trustee, does hereby give notice that on Monday, the 31st day of January, 1916, at the hour of 10 o'clock in the forenoon of said day, at the front door of the County Court-House of San Mateo County, situate on Broadway in Redwood City, County of San Mateo, State of California, he will sell at public auction to the highest bidder for cash, in Gold Coin of the United States, all those certain lots, pieces or parcels of land, together with the improvements thereon situate and contained, situate, lying and being in the County of San Mateo, State of California, and bounded and described as follows, to-wit:

All that certain parcel of land being a portion of the San Pedro Rancho, and being lot No. 15, in the part of said Rancho heretofore made by decree of the Twelfth Judicial District Court, in the suit of James Ragan vs. Owen McMahon, et al and beginning at the most westerly corner of lot 14, thence along the coast S. 12 1/2° E. 6 1/2° chains S. 2 1/2° W. 1.60 chains S. 6 1/4° W. 7 chains S. 7° E. 3 chains to the northwest corner of lot No. 16, thence along the north boundary of lot 16, 20.41 chains to the west boundary of lot No. 17, thence on said boundary N. 8 1/4° W. 10.04 chains to the southern boundary of lot No. 14, thence to the place of beginning. Containing 15.58 acres.

Said sale is made because of default in the payments and the installments provided for in said Deed of Trust and is made upon demand in writing of G. L. Crabtree, the present owner and holder of said promissory note and Deed of Trust.

Terms of Sale: Cash in Gold Coin of the United States, ten (10) per cent payable at the fall of the hammer, the balance payable on delivery of the Deed, and if said balance is not so paid, said ten (10) per cent is to be forfeited and the sale to be void. All acts of sale to be at the expense of the purchaser.

Dated, December 26th, 1915.

Surviving Trustee in said Deed of Trust as aforesaid.

Date of first publication in Times-Gazette, January 2, 1916.

Times-Gazette representative that the telephone development in Redwood City during the past year surpassed any corresponding city in the State of California, more telephones were placed in homes here than in any other city of Redwood's size in the state. This certainly speaks well of this locality and demonstrates the rapid growth of this section. Mr. Parton expects still further development for 1916.

VOLUNTEER FIREMEN GUESTS AT BANQUET SATURDAY EVE

Appreciation Shown to Retiring Chief Winter For Faithful Services

The members of the local fire department were the guests of the people of Redwood City at a banquet held at Bernasque's Hotel Saturday evening.

The affair was given in appreciation of the work of the firemen and in honor of retiring Chief Jos. Winter and the new chief, Mark E. Ryan.

A. S. Liguori acted as toastmaster and after a short history of the local department presented Mayor George A. Merrill.

Mr. Merrill told of the great work of the firemen who receive no recompense for the risk they take or stand ready to take at all times. He paid a glowing tribute to the retiring chief and then presented him with a handsomely engraved gold watch, the gift of the people of Redwood City for his services for the past sixteen years.

Mr. Winter replied, expressing his gratitude and appreciation for the support he at all times received from the trustees and the members of the various companies and asked that the new chief be accorded the same assistance he received.

Mr. Ryan followed and asked for the support of all in affecting an organization second to none in efficiency. He the fire alarm system and the new fire fighting apparatus aiding materially. From the enthusiasm expressed after his remarks there need be no fear but that the firemen will be right on the job at all times.

E. T. McGittigan, Secretary-Manager of the Chamber of Commerce, which co-operated with the trustees in giving the banquet, was next to be introduced and spoke of the debt owed by the people of Redwood to the firemen and that the Chamber of Commerce at all times stood ready to co-operate in anything that would tend to the upbuilding of Redwood.

He then presented Mr. Winter, on behalf of the Chamber of Commerce, a framed set of resolutions expressing the loss by the resignation of so efficient a chief and expressing the deep thanks and gratitude of all for his great work during his sixteen years of service.

Trustee Tuchen told the gathering that Redwood enjoys the lowest fire rate in the state due to the efforts of the local fire fighters and the high pressure water system.

Other speakers were Trustees Sampson, Deleau and Hahir, R. F. Chilcott, foreman of company four; E. L. Waigot of the Schner Company, who are building the new auto chemical; Chas. Jacobus, a fireman for forty years; Second Assistant H. Beeger, First Assistant Allain, City Clerk Plump, A. J. Stalter, Dan Stafford, Henry Steinberger, Fred Glennan, B. Werder, J. J. Schields and William Lutje. The firemen were entertained by Mullen's Orchestra which donated its services for the evening.

Dick Svihus and Sing Lee engaged in a singing contest. The former sang as a native, Philman would sing American ragtime. Sing Lee who has been a fireman for several years returned the compliment by singing one of his native songs which was heartily applauded although those present hardly knew what Sing said.

William Curran, the Caruso of the West, also entertained with his rendering of "Ebenzer Fry" and divided vocal honors with the other two.

A vote of thanks was given the members of the orchestra and at midnight the firemen adjourned to their homes.

COAST-SIDE ITEMS

Dr. J. E. Cummings of Redwood City has opened dental parlors in the Pringle building. He is a dentist of ability and with a sound experience both in San Francisco and Redwood City before a fire and earthquake he was located for a great many years in the Flood building in San Francisco where he enjoyed a large and lucrative practice. The doctor comes to Halfmoon Bay with the highest recommendations.

The recent heavy rains and frosts have damaged one-third of the present artichoke crop of the coastside. About 100 carloads of the vegetable are lost to the existing market. This condition will delay the spring crop about six weeks, but the farmers will have an opportunity of reducing their losses. At this season of the year, artichokes bring the farmer about \$1 a dozen. The Eastern market being the buyer.

The two-hundred-mile system of highways which lure thousands of motorists to San Mateo County is known throughout America as a masterpiece in road building. In charge of the titanic task of the engineering work for this system was a man born and raised in San Mateo County—James V. Neuman, the present County Surveyor.

One of the most active workers for his own district and the county at large is Joseph M. Francis, chairman of the board of supervisors and supervisor of the Fourth township of San Mateo County. Mr. Francis is serving his seventh year as supervisor and his second year as chairman of the county board. Few supervisors in California can boast of more satisfied constituents than "Joe" Francis. He secured good boulevards for his district and improved the streets of Halfmoon Bay so that they are now the best streets in any unincorporated town in the county. So well satisfied were the residents with Mr. Francis' work on the board that when his name was submitted for re-election in 1912 he was elected as the candidate for all three parties. Even eighty-six of the ninety-one Republican voters in one precinct took the trouble to write his name in on the ballot at the primary.

The Ocean Shore Railroad has a crew of workmen trestling the fill at the lighthouse. This work will cost the railroad company nearly \$4,000. A petition has been circulated in Montara asking Supervisor J. M. Francis to replace the old county bridge near the Kelsey property by a concrete culvert. The old bridge was partially washed away by our recent heavy rains.

CLARENCE D. HAYWARD DIES OF OWN HAND

County Assessor Commits Rash Act While Temporarily Insane.

Not in the history of Redwood City were the people so shocked as they were yesterday morning when it became known that C. D. Hayward, Assessor of San Mateo County for nearly a quarter of a century, had committed suicide during a fit of temporary insanity at his beautiful home in Redwood Highlands. Gloom and sorrow overshadowed the community, men and women gathered in small knots to discuss the terrible tragedy that had taken from life one of God's noble men, a man beloved and admired by everyone in San Mateo County for his many ways and kind and affable manner. He was the idol of all. He is no more but he will live long in the memory of a host of friends. About ten o'clock yesterday morning, F. Granger, the meter reader for the Pacific Gas and Electric Company, discovered smoke issuing from the basement of the Hayward home. He at once notified Mrs. David Moore, sister of Mr. Hayward, who had been attending her father in a small cottage near the Hayward home. Mrs. Moore was fearful for she had heard a shot only a few minutes before. She immediately telephoned A. J. Fromm, a friend of the family, who arrived in a few minutes and with Mr. Granger entered the basement where a terrible sight met their gaze. Lying prone upon the cement floor was the body of Mr. Hayward with a double barrel shotgun at his feet. The walls and floor were bespattered with blood and the brains of the dead man lay strewn around the floor. His face was unrecognizable for the top of his head had been blown off by the shot.

From the position of the body it is evident Mr. Hayward descended the stairs from his apartments into the basement and stepping aside placed the barrel of the gun to his head and fired one barrel of the weapon which severed the upper portion of the head from the body.

Deputy Coroner Layng was notified and on arriving on the scene turned the remains over to the James Crowe Company for burial.

Mrs. Hayward, who arrived at her home from the court house where she went on an errand for her husband, was prostrated with grief on learning of the terrible tragedy. Miss Edna Hayward, the young daughter of the couple, attending Stanford, was sent for and she was soon by her mother's side to console and comfort her in her terrible distress. Later Mrs. Hayward's brother, C. W. Merrill of Berkeley, arrived and escorted his sister and Miss Hayward to his home pending the funeral arrangements.

Another daughter, Mrs. Kalenborne of Fresno, arrived last evening. The friends of Mr. Hayward noticed the effects of the nervous strain caused by the worry of his father's sickness and commented upon it. Mr. Hayward, the old pioneer lumberman is lying at the point of death at his son's home. His death is momentarily expected. The constant care of his aged father brought on nervous prostration. He had not been at his office in the courthouse regularly, giving all his attention to his parent to whom he was greatly devoted.

Mr. Hayward was one of the most popular of the county officials. He was filling the second year of his sixth term as county assessor. He was first elected to the position in 1894. The administration of his office was so popular and satisfactory to the taxpayers that he seldom had any opposition to reelection.

Mr. Hayward was born in San Francisco about 54 years ago but spent his boyhood and young manhood at Pescadero. Before entering politics he was engaged in the lumber business with his father. He was considered an expert lumberman. Mr. Hayward was a member of the Native Sons of the Golden West, the Masonic order, Elks, Odd Fellows and other fraternal organizations.

The deceased is survived by a wife and two daughters, Mrs. Kalenborne and Miss Edna Hayward and two sisters, Mrs. Newton Ray of Pescadero and Mrs. D. E. Moore of this city. No arrangements have yet been made for the funeral. An inquest will be held at the James Crowe Undertaking chapel today at ten o'clock.

WOODSIDE NOTES

Lawrence E. Shine, the two year old son of Mr. and Mrs. George Shine, passed away from an attack of pneumonia early yesterday morning after a struggle of two weeks with the dreaded disease. The funeral will take place tomorrow at the home of the boy's parents. Interment will be in Holy Cross cemetery, Menlo Park.

Edward Hansen, a former resident of Woodside, is in a San Francisco hospital suffering from an attack of scarlet fever. His case is not critical. He will recover.

Arthur E. Neuman, who is still interested in Neuman Bros. Inc., of Woodside, is at present managing the Monomobile Oil Company of San Francisco, owned and controlled by Neuman Bros. Inc., with branch stores in Portland and Seattle.

Neuman Bros. Inc., an automobile oil company of the finest line in America and have built up an enormous business throughout Oregon, Washington, California, Nevada and the Orient. They are now opening up a branch in Australia.

Jasper Jostmann, aged 75 and a native of Prussia, passed away Sunday at the home of Mrs. C. Dalve in Woodside Sunday morning. Deceased was a veteran of the Civil war. He came to California 50 years ago and has lived at Woodside 25 years.

The funeral was held Tuesday under the auspices of George S. Evans, W. R. C. The interment was in Union cemetery.

The petition for letters testamentary states that the value of the property will exceed the sum of \$15,000.

Final Account Filed

Ida Rowan, administratrix of the estate of Margaret Rockefeller, deceased, has filed her final account. The account shows that the sum of \$214 is money in bank and that the real estate was sold for \$500, making a total of \$714. The amount paid out in the course of the administration of the estate was \$298.90, leaving a balance of \$415.10 to be distributed to the heirs.

Edward F. McDevitt, administrator of the estate of Sophia Agnes McDevitt, deceased, has filed his final account and petition for distribution. The value of the estate is placed at \$2,389 and the amount paid out was \$389.

Shell Oil Company Incorporates

The Shell Oil Company has incorporated with a capital stock of \$35,000 divided into 35,000 shares at a par value of \$100 each. The purpose of the company is to engage in the oil business and to develop oil fields. The principal place of business of the company is at San Francisco. The actual amount of stock subscribed is \$1,000 by the following stockholders who have subscribed two shares each: W. Smith, John Lawson, B. D. Adamson, J. C. Van Eck and R. H. Gallagher. All reside in San Francisco with the exception of B. D. Adamson who lives at Piedmont. The articles of incorporation were filed in the County Clerk's office yesterday.

New Actions in the Superior Court

Helen Dyer, through her attorney, James T. O'Keefe, has brought an action in the superior court against E. B. Whitney to recover the sum of \$470 on a promissory note executed on July 10, 1915. The note is unsecured. Plaintiff asks for interest and costs.

The California Poultry Company has brought an action in the superior court against Victor Borges and others to recover the sum of \$379.70 in principal received by defendants during the year last past for the use and benefit of plaintiffs. Plaintiffs also ask for their costs.

New Probate Applications

George H. Thompson, through his attorneys Ross and Ross, has applied in the superior court for letters of guardianship upon the estates and persons of Lawrence M. Green and Merrill W. Green, minors. Their estates consist of money in bank amounting to \$2,200. Their mother is dead and for some years they have lived with their aunt, Mrs. George H. Thompson, who died on January 10th in San Francisco. She was their guardian. Her husband now asks to be appointed. The father of the minors consents to the appointment as well as the minors themselves.

Manuel Furtado has applied in the superior court for letters of guardianship upon the person and estate of Louis P. Furtado, an incompetent person. On January 13, 1916, Furtado was declared incompetent and was committed to the state hospital at Agnew. His estate consists of cash in bank amounting to \$200 and an interest in real property valued at \$100. The petitioner is a brother of the incompetent.

Joseph O'Connor has applied in the superior court for letters of administration upon the estate of Jeremiah O'Connor, who died in the county on January 11, 1916. The state consists of real property and personal property in San Francisco and Monterey Counties valued at \$3,000. The petitioner is a brother of the deceased.

The other relatives are, B. J. O'Connor, living at Marysville, Cornelius O'Connor, Butte, Montana; James O'Connor, Australia and a sister, Alice O'Donohoe, residing in Ireland.

WILL OF W. H. HANSON FILED FOR PROBATE

Aunt and Cousins Who Reside Here Each Given \$10,000.

John M. Bourdette, an intimate friend of the late W. H. Hanson, filed the last will and testament of the deceased on Thursday for probate. The instrument was executed at San Francisco on May 5, 1915. The subscribing witnesses were J. A. De Guire of San Francisco and Charles James of Oakland. By the terms of the will, Mrs. Elizabeth Hanson, widow of the late Albert Hanson of Redwood City is bequeathed the sum of \$10,000. Her three daughters, Pauline and Laura Hanson of Redwood City are each left \$10,000 and Mrs. Viola Poole, wife of Dr. George Poole of San Francisco, is left a life sum. The rest and residue of the estate is left to Elizabeth B. Hanson, wife of the decedent. No other bequests are made. John W. Classen, one of the officers of the Tacoma Mill Company is named as executor and Mrs. Elizabeth B. Hanson is named as executrix. Both are to serve without bonds. Should they fail to act then John M. Bourdette is to administer upon the estate. John Classen in his petition for letters testamentary does not state the value of the big estate except that it exceeds the sum of \$10,000. Mr. Hanson died Friday last week at his apartments in the St. Francis Hotel in San Francisco. Miss Pauline and Laura Hanson were co-heirs of the deceased. Mrs. Elizabeth Hanson is the widow of the late Albert Hanson, uncle of the deceased.

FOUR FIRE ALARM BOXES SOON TO BE INSTALLED

All Must Register Before the Coming Municipal Election

George Gunther and E. T. McGittigan addressed the board of town trustees Monday evening relative to preventing a recurrence of the flooded condition of some of the streets in the Highlands during recent storms. The matter of surface drainage in the Highlands and along the state highway from Five Points to Beezer's tannery had been gone over by Trustee Tuchen, chairman of the day, street committee.

Mr. Tuchen believes that all the storm water west of the circle in the Highlands should be diverted toward the natural drainage back of the Plaisis property. This would relieve the gutters below that point and only a nominal flow of water would be allowed to reach the state highway.

The worst conditions prevail at the intersection of Whipple Road with Hopkins and Grant avenues. At these points the water has backed up and covered almost the entire street, flooding yards and basements and causing much damage and inconvenience.

Under Mr. Tuchen's direction work will be done before another storm, leading to an improvement of present conditions. It is proposed to install larger culvert pipes under the state highway at places where the thoroughfare needs repairing.

Upon the recommendation of the board of delegates of the Redwood City fire department, the trustees ordered the installation of four more fire alarm boxes to be located as follows: one at the corner of Edgewood Road and Summeret, Welleson and Hopkins avenues, one at the corner of Fulton and Brewster streets, Redwood Highlands and one at the corner of Addison and Redwood avenue, Western Addition.

Engineer Mark E. Ryan will have charge of the work. The estimate cost of installing the boxes and connecting them with the central system is \$550.

Mrs. G. L. Britton accepted the compromise offer of \$40 on her claim of \$60, damage done to her personal property by overflow from a water wagon in the municipal yard.

Trustee Hahir was requested to provide cast iron boxes for the three new telephones recently provided for the use of the police department. The phones will be located in different parts of town so as to enable the night watchman to quickly communicate with the sheriff's office.

Minor repairs, including a coat of paint and suitable lettering was ordered for the ladder truck recently purchased by the city from the Town of San Leandro.

City Attorney Mansfield declared that it will be necessary for every person to register, who desires to vote at the coming municipal election. As the town has been divided into eight voting precincts by the county board of supervisors, the city attorney was instructed to consolidate two of the minor precincts for the municipal election.

An ordinance regulating water rates and their collection was given its second reading and finally adopted. The board adjourned until Monday evening, January 24th at which time matters of street improvement will be discussed.

NEW PRINCIPAL OF HALFMOON BAY GRAMMAR SCHOOL

Nephew of Former Principal Succeeds Professor Walton

Harry C. Hall of Corte Madera has been appointed principal of the Halfmoon Bay grammar school to succeed Professor Walton, who resigned last week to take the principalship of the Los Gatos High School. The trustees are to be congratulated for the confidence manifested in native born teachers of San Mateo County as the full faculty of the school are San Mateo County people. Henry C. Hall, Jr. was born in Menlo Park 23 years ago and was educated in the schools of San Mateo, Marin and San Francisco Counties. He is a young man of good habits, strong mental fibre, reserved as to his own merits, actuated by fine ideals and a leader of the youth of his state. His father, H. C. Hall, is the veteran teacher, who was principal of the Menlo Park grammar school for nearly twenty years and is now principal of the Corte Madera school.

George W. Hall, the young man's uncle was the principal at Halfmoon Bay for a number of years before becoming the supervising principal of San Mateo. Young Hall comes from a family that has gained distinction as educators and those who know the merits of young Harry predict a successful career for him in his chosen profession.

MENLO PARK LOCAL NEWS

Mrs. James G. Mason is in San Francisco visiting her sisters who are prominent in the social circles of the metropolis.

W. J. Murray, who is addressed as the city clerk of Menlo Park, received the following letter of inquiry during the week. May be some one can give the desired information. "I am desirous of making inquiries with regard to Mr. Cyril Frank Elwell. That is to say, I desire to know, whether he is a citizen of the United States or not. He was born in Melbourne, Australia in 1884. He was educated in the public schools in Sidney, Australia and he graduated in the year 1908 at Stanford University, California. Will you kindly let me know whether the above named gentleman or his father obtained letters of naturalization in the United States, and if so, when. If you are not able to give me the above information, I should be much obliged to you if you would let me know where I can obtain it. Yours very truly, Sidney S. J. Steadman, St. Francis Hotel, San Francisco, Cal."

NOTICE OF TRUSTEES' SALE OF REAL PROPERTY

Whereas, John Carden, of the City of San Jose, County of Santa Clara, State of California, party of the first part, did execute a certain deed of trust, bearing date of the first day of May, 1914, to John D. Gish, of the County of San Mateo, State of California, party of the second part, for the benefit and security of the Halfmoon Bay Realty Company, a corporation of San Francisco, State of California, party of the third part, which said deed of trust was recorded on the 12 day of June, 1915, in Book 8 of Trust Deeds, page 498, in the office of the County Recorder of San Mateo County, State of California;

That on December 22nd, 1915, said John D. Gish, trustee, for value received, assigned, transferred and set over all his right, title, and interest in and to said Trust Deed to the Owners Realty Company, a corporation of San Francisco, State of California, party of the second part, and the said Owners Realty Company being the successor in interest of the Halfmoon Bay Realty Company, and at the said date the said Board of Directors, at a meeting duly made and recorded, did there and then appoint, make and constitute Julius Jorgensen, of the County of San Francisco, their trustee in place and stead of John D. Gish.

And, whereas, default has been made by said John Carden in the payment of the promissory note secured by said deed of trust;

Now, therefore, in accordance with the terms and conditions and under the authority of said deed of trust, and pursuant to the notice and demand, in writing, made and given by the said Owners Realty Company (a corporation), the holder of that certain promissory note, made by the said John Carden to the said Owners Realty Company (a corporation), to secure the repayment of which said deed of trust was executed, and declaring that default has been made in the payment of the principal and interest as provided in said note and said deed of trust, and that the mortgage and interest thereon has not been paid, and requesting the said Julius Jorgensen, as trustee, under the powers and authority conferred upon him by the said deed of trust, and pursuant to said demand and declaration of default, to sell the said real property, described in said deed of trust, and hereinafter particularly described, to satisfy said indebtedness, said Julius Jorgensen does hereby give notice that on Thursday, the 1st day of February, 1916, at 10 o'clock A. M. of said day, in front of the Court House, in the Town of Redwood City, County of San Mateo, State of California, to the highest cash bidder all of that certain real property situated in the City of Naples, Frisco, County of San Mateo, State of California, bounded and described as follows:

Lots Nos. Six (6), Seven (7), Eight (8), in block No. Four (4), of the City of Naples, as said lots and block are laid down and delineated on the official map thereof, filed for record in the Recorder's office of the County of San Mateo, State of California, on the 16th day of September, 1907, together with any and all improvements thereon, or any improvements which may be added during the continuance of this instrument.

COUNTY'S GOOD ROADS ARE INVALUABLE ASSET

San Mateo county and its good roads was given more than unusual prominence in the San Francisco Chronicle's fifty-first annual, issued January 12th. Frank L. Eskward, secretary of the San Mateo County Development Association gives a review of the road building activities and shows what valuable assets to the county are its 200 mile system of boulevards. Extracts from Mr. Eskward's article are as follows:

Automobilists declare that San Mateo county is the leader in highway construction. This is attested to by the astonishing fact that a fair Sunday or holiday brings forth 15,000 motor cars on the main highway, exclusive of the traffic on the coastwise roads, which have just been opened to the public.

To accomplish the work of road building, now a reality, millions of dollars and herculean energy were required. Streams were traversed by bridges and mountains reduced to hills in order to make the boulevards practical for all purposes of traffic.

Nature has been kind to San Mateo county and the road builders have done their best in making this peninsula community most possible.

The result of this is that San Mateo county is famous for its scenic boulevards, which stand out unrivaled from a standpoint of beauty and practicality.

The great results achieved in the construction of a system of scenic boulevards in this peninsula county have been obtained to a great extent through the untiring efforts of the Board of Supervisors, composed of Joseph M. Francis, James T. Casey, William H. Brown, John MacBain and Dr. C. V. Thompson. No little mention also should be given to the Advisory Road Commission, which when originally appointed, had M. B. Johnson, the late George L. Perham, E. M. Moore, H. C. Tuchen and William A. Moore as members.

Behind this great activity, in taking advantage of natural opportunity, stands the San Mateo County Development Association, an organization which awakened the sleeping-beauty community of California.

With the formation of this association wretched roads have been turned into beautiful boulevards, while proposed building took the form of reality after the association began its theme of public improvements.

California motorists now pay homage to San Mateo county as one of the beauty spots of the State.

The county is now recognized as California's wonderland, nature's garden and San Francisco's home and playground.

San Mateo county's 447 square miles, favored by eternal sunshine, washed on either shore by ocean and bay, blessed by water-shedding mountains with fertile valleys, given heavily-wooded forests with game and well supplied with countless streams, capped with a chain of lakes gigantic in volume—San Francisco's principal water supply—all go to comprise a domain which makes it the envy of all other communities.

When San Mateo county citizens voted for good roads, shrewd business judgment was shown. The convenience to the residents and increase in property values will repay the county many times over in the next twenty years. In addition to this, there is an advantage which the county is beginning to reap that very few voters foresaw when they cast their votes for the bonds. The highways are beginning to solve transportation problems. With the coming of automobiles that can be operated cheaply, a community is no longer isolated if it cannot be reached by a steam or electric line. Give a paved road, the community's transportation problem is reduced to nothing.

Automobile transportation lines are now running in every direction in San Mateo county; San Mateo is connected

with Halfmoon Bay, Daly City, Burlingame, Redwood City and Palo Alto by regular auto service; a line is now operating between San Francisco and all the peninsula towns as far south as Palo Alto.

Without our 200-mile system of boulevards, transportation would still be San Mateo county's most perplexing problem.

HOME IN HIGHLANDS BROKEN INTO BUT NOTHING TAKEN

Thieves broke into the home of T. J. Schuyler, 128 Elwood street, Redwood Highlands, sometime during Tuesday night and after thoroughly ransacking the place, departed without taking a thing. Entrance was effected by first removing a screen door leading into the laundry and from there forcing a second door into the kitchen.

The Schuyler home was closed, the family having gone to the city for the winter. They left practically all their belongings and valuables here, however, including several hundred dollars' worth of silverware, none of which was disturbed. The robbers were evidently looking for money and jewelry only.

Several chests of tools belonging to carpenters employed on different jobs in the Highlands were stolen the same night. The sheriff's office was notified yesterday morning of the thefts and Under Sheriff Lampkin was detailed on the case.

DUTCH PARTY GIVEN BY THE WOMAN'S CLUB JOLLY AFFAIR

A very jolly affair was the Dutch supper and Dutch whist given by the members of the Woman's Club Tuesday evening. Close to a hundred guests were present, all of whom voted the party one of the most successful in the history of the club.

The decorations about the room and the table were cleverly carried out in the Dutch scheme. Three young ladies—the Misses Helen Andrews, Marie Merrill and Lois Suttle, dressed in quaint Dutch costumes, assisted in the serving of the Dutch eats.

At the card games following the supper, twenty-four tables were used. The prize winners were, Ladies'—first, Mrs. E. Wright; second, Mrs. F. S. Gregory; gentlemen's, first—Mr. Johnson; second, John E. Layng; consolation, E. P. Kendrick.

The hostesses who were responsible for the success of the party were Mrs. James Ewa and Mrs. George A. Merrill.

PEINISULA LAUNDRY READY TO START FULL BLAST

The new machinery for the plant of the Peninsula Laundry Company arrived this week and is being installed as rapidly as possible. The laundry will be in a position to turn out all of its work in this city instead of sending it to other plants in San Mateo and Burlingame, as has been done heretofore. W. S. Wardlaw, the manager, expects to have everything in shape to be running full blast next week. The enlarging of the plant and the installation of the machinery means a considerable increase in the pay-roll of the institution.

Slang in a Court Decision

A recent decision of the United States Supreme Court contains the statement: "The defendant kicked against this." And it was Justice Holmes, the Massachusetts member, who wrote the decision! He, a son of the "Autocrat of the Breakfast Table!" But slang often does become, by long usage, "good" English. That is one way the language grows. Now that "kicked" in the sense of "objected" is supported by a Supreme Court decision it will have to be put into the dictionaries.
